# Green Eyes

LOCATION

Miami, Florida, United States

GREEN EYES is a striking 2023 Wally 43 that embodies the perfect balance of avant-garde Italian design, sophisticated engineering, and exhilarating on-water performance. Her distinctive profile, expansive walkaround deck, generous sunbathing areas, and thoughtfully designed entertaining spaces create an exceptional platform for enjoying life on the water.

Wally's signature minimalist styling and intelligent use of space deliver a yacht that feels considerably larger than her dimensions suggest, while maintaining an unmistakably sporty and contemporary aesthetic. Equally suited to cruising the Bahamas, entertaining family and friends, or serving as a prestigious superyacht tender, GREEN EYES represents a compelling opportunity to acquire a modern luxury dayboat from one of the most innovative and recognizable names in yachting.
