The Burger 85' Simaron- 2025 Refitted and Ready for Excellence

The Simaron , a distinguished Burger 85', underwent an extensive and meticulous refit in 2025, including a complete engine rebuild by MTU, with a one-year warranty on the main engines. This one-owner vessel has been carefully maintained and upgraded to ensure exceptional performance and luxury.

In 1996, the current owner attended the Fort Lauderdale Boat Show in search of their first yacht, and it was the superior quality and craftsmanship of Burger that made Simaron the clear choice.

Between 2024 and 2025, Simaron underwent a comprehensive $1,000,000 refit, setting it apart from any modern Burger yacht. The refit included:

• Rebuilt to zero time, MTU 12V 2000 main engines w/full 1 year MTU warranty

• Updated electronics and electrical systems

• Rebuilt generators 30kw kilopak

• Fully equipped flybridge galley and entertainment space

• Separate crew quarters for 3 in two cabins with ensuit head

• A one-year warranty on all refit work performed by YA- 2024 refit of vessel systems by Yacht Assist w/ full 1 year warranty

The result is a yacht that stands head and shoulders above current models, offering unmatched luxury, performance, and value. The interior design brilliance of Douglas Richey, combined with the naval architecture and exterior styling expertise of Don O'Keeffe, and the exceptional craftsmanship and engineering precision of the Burger shipyard, culminated in the creation of this breathtaking Flush-Deck Motor Yacht. Simaron seamlessly blends the timeless elegance of classic Burger yachts with the modern sophistication of higher freeboard designs.

Simply put, Simaron is stunning from every angle. She offers three expansive decks of luxurious comfort and entertainment, complemented by a variety of inviting outdoor living spaces for relaxation and enjoyment. Whether inside or out, Simaron provides an unparalleled yachting experience. "Simaron is more than just a boat; it's the best decision I ever made." — Owner
