ABOUT

Stella

LOCATION

Aventura, Florida, United States

The 2024 Absolute Navetta 75 STELLA combines Italian design, innovative engineering, and long-range cruising capability. Her semi-displacement hull and Volvo Penta IPS propulsion deliver a smooth, quiet, and efficient ride, so she is well suited to exploring the Mediterranean, the Caribbean, and beyond.

Floor-to-ceiling windows fill her contemporary Italian interior with natural light, and the spacious salon is an elegant setting for relaxing and entertaining. She has four staterooms, including a full-beam owner's stateroom, plus separate crew quarters for added privacy. A fully equipped galley and inviting dining areas complete the living spaces.

The generous flybridge offers dedicated dining and lounging areas, perfect for alfresco meals and sunset gatherings. She also has a spacious aft cockpit, a forward sunbathing deck, and a large hydraulic swim platform for easy access to the water.

Twin Volvo Penta D13 IPS1350 engines provide strong cruising performance, excellent stability, and intuitive joystick maneuvering. With her Italian craftsmanship, generous living spaces, and modern technology, the Navetta 75 is an outstanding choice for private enjoyment, family adventures, or luxury charter.
