ABOUT

Deimos

LOCATION

Bodrum, Mugla, Turkey

DEIMOS is a 43-meter motor yacht designed by Italian designer Gian Paolo Nari and in build by Aegean Yacht, one of Turkey's most established shipyards. Conceived as the explorer version of two sister ships, DEIMOS combines robust engineering, long-range autonomy, and striking design within a sub-500 GT platform.

DEIMOS is a a glamorous navetta style, featuring an additional aft pool on the main deck. Inside, the yacht accommodates up to twelve guests across six spacious cabins. The Owner's suite, measuring over thirty seven square meters, includes a twelve-square-meter private terrace with panoramic views to both port and starboard—an exceptionally rare feature on a yacht of this size.

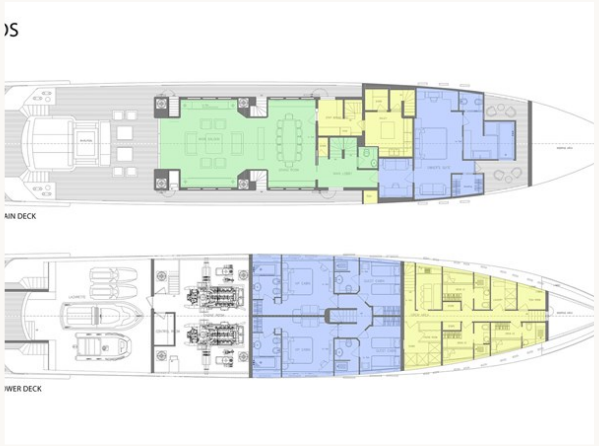

Crew spaces are designed with guest privacy and service efficiency in mind, including three double cabins forward and a dedicated captain's cabin adjacent to the wheelhouse. Generous storage and technical areas ensure that DEIMOS is prepared for extended cruising and exploration.

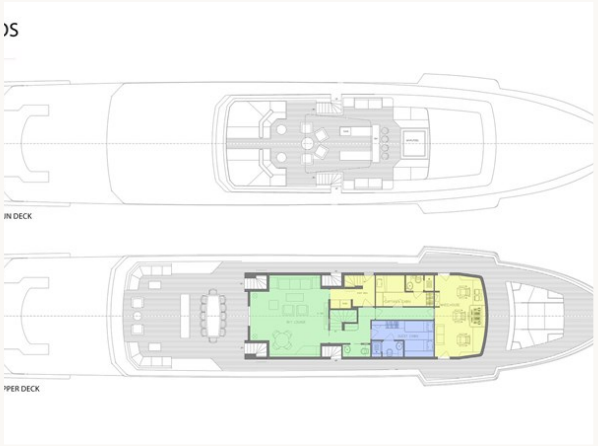

Founded in 1976, Aegean Yacht has built an enduring reputation for crafting durable, seaworthy vessels. Nearly five decades of continuous yacht-building expertise make DEIMOS, blending traditional craftsmanship with modern construction techniques, a vessel that is as reliable as it is innovative.
