ABOUT

The Langley

LOCATION

Loano, Liguria, Italy

Rebuilt from the hull up and completed in 2025, THE LANGLEY is a transformed 62m yacht that now blends timeless design with modern superyacht luxury. Originally launched by Aegean Yacht, her extensive rebuild included a lengthened hull, fully renewed interiors and deck spaces, upgraded systems, and a newly designed beach club with submersible swim platform, offering the feel of a brand-new vessel.

Inside, THE LANGLEY features a fresh, contemporary interior with soft tones, natural textures, and ambient lighting throughout. The main saloon includes a spacious lounge, formal dining area, and panoramic windows that fill the space with natural light. Accommodation is for up to 12 guests across six staterooms (with a further 7th cabin ideal for staff as necessary), including a full-beam master suite located aft in a private section of the lower deck. This expansive suite features a king-size bed, owner's desk, sofa, large wardrobe space, and a generous en suite with shower.

Forward on the lower deck lies a full-beam VIP stateroom, also fitted with a king-size bed, sofa, excellent storage, and en suite bathroom. Amidships are two additional double cabins, one with a queen bed to port, and the other with a king to starboard. Further forward are two versatile triple cabins, each with a queen bed and an additional single, ideal for families or children. A separate twin cabin is also located aft in the same private section as the master, perfect for nannies, security personnel or support staff, allowing flexibility without compromising discretion or comfort.

The sundeck features a central Jacuzzi, oversized sunpads, and multiple lounge and dining areas, alongside a fully equipped bar and grill. Alfresco dining is available on both the main and upper decks, each with elegant aft seating areas.

At sea level, the yacht's expansive beach club and submersible platform offer seamless access to the water.

She cruises comfortably at 9 knots, with a top speed of 11 knots.
