ABOUT

All Ocean Yachts 105' Overing Explorer

LOCATION

Florida, United States

All Ocean Yachts is expanding its line of composite built Explorer Yachts. The All Ocean Yachts Overing 105’ RPH Explorer will be built by the award winning NISI Shipyard Group to Class and MCA standards.

President of All Ocean Yachts, said he is excited about collaborating with these two outstanding groups to bring the first model of the new line to the Yachting public.

The combination of All Ocean Yachts years of experience in building Explorer yachts, the design expertise and hull efficiency advances, developed by Overing Yacht Design and the award winning innovative expertise of the NISI Shipyard Group, create a unique opportunity for a yachtsman looking to build a quality Explorer Yacht.

The New 105’ Explorer has a number of advanced features, not novelty items as now often seen on yachts today, but features that truly improve the owner’s experience while doing extended cruising. The boat deck can accommodate a huge tender for fishing or diving plus a host of other toys. She features a lower service deck and an outstanding 4 guest stateroom layout.

The specification is extensive and the equipment has been chosen from top international suppliers known for their reliability and customer service.
