2011 Allures 45 – Aluminum Centerboard Bluewater Cruiser | Performance & Liveaboard Comfort

If you've been searching for a true go-anywhere performance cruiser with all the comforts of home, this 2011 Allures 45 "Evermore" is the one. Designed by Berret-Racoupeau and built by Allures Yachting in France, she combines speed, safety, and style in an elegant aluminum-hulled package.

The Allures 45 is renowned for her centerboard design — giving you deep-draft performance under sail and shoal-draft freedom at anchor. Her aluminum hull offers unmatched strength and security offshore, while the GRP deck and cabin keep her cool, quiet, and easy to maintain.

Performance Meets Comfort

The Allures 45 is built for sailors who value self-sufficiency, seaworthiness, and speed. Her light yet strong aluminum hull delivers a lively and responsive feel under sail, while her well-insulated interior makes life aboard comfortable in any climate. Whether you're planning a circumnavigation, a Caribbean season, or a full-time liveaboard lifestyle, this yacht is ready.

EVERMORE is hull No. 9 of this model and has three staterooms and a single head with separate shower stall.
