Amel 55 ABORA (2015) – Phuket, Thailand

Privately owned Amel 55 in the desirable Pack Plus Comfort specification.

Designed for serious bluewater cruising, offshore passagemaking and long-term liveaboard use, this Amel 55 combines the proven Amel ketch rig, extensive onboard autonomy and the ease of operation for which the yard is known.

Why This Model?

Among bluewater sailors, the Amel 55 is often considered alongside Hallberg-Rassy, Oyster and Discovery. Unlike many yachts in this size range, she was designed from the outset for short-handed ocean cruising, with protected watchkeeping, simplified sail handling and a strong focus on self-sufficiency offshore.

Key Highlights

• Pack Plus Comfort specification

• Amel ketch rig

• Electric furling mainsail and mizzen

• Electric Reckmann furling genoa and staysail

• Volvo Penta D3-110 (1,296 h)

• Onan 11 kW generator

• Dessalator watermaker (240 l/h)

• FleetBroadband FB250 satellite communications

• Starlink internet

• Electric bow thruster

• Air conditioning throughout

• Webasto diesel heating

• Never chartered

• Major mechanical systems serviced in April 2026

Walk The Boat

The protected centre cockpit allows safe operation in offshore conditions, while the ketch sail plan and electric furling systems keep sail handling manageable for a couple.

Below deck, the three-cabin, two-head layout is complemented by substantial tankage, generator support, watermaker and long-range communications equipment. Together, these features make the yacht particularly well suited to ocean crossings, remote cruising grounds and extended periods away from marinas.

Alternatives

For buyers comparing serious bluewater cruising yachts in this size range, the Amel 55 is a natural alternative to the Hallberg-Rassy 54, Hallberg-Rassy 55 and Hallberg-Rassy 57, Oyster 54, Oyster 56 and Oyster 575, Discovery 55, Contest 55CS and Contest 57CS, as well as the Moody 54 DS. While each follows a slightly different design philosophy, all appeal to owners looking for a capable, comfortable long-distance cruiser suitable for extended offshore passages.
