2025 AmeraCat 39 – Twin 450 HP | Brand New Custom Offshore Catamaran

This 2025 AmeraCat 39 is a brand-new, custom-built offshore catamaran powered by twin 450 HP outboards , offering exceptional performance, efficiency, and stability. • Electric integrated steering with fly-by-wire controls

• (2) 12” Garmin displays and (1) 7” Garmin display

Summary

This AmeraCat 39 is ideal for an experienced owner who wants a high-horsepower, modern offshore cat and prefers to select their own layout, electronics additions, and fishing configuration rather than paying for factory options they may replace anyway.

Comparable fully finished cats with twin 450s routinely trade significantly higher. This vessel represents a strong value entry point into a premium offshore platform.

Serious inquiries only.
