ABOUT

Seamore 34

LOCATION

La Spezia, Liguria, Italy

The SEAMORE 34 features an innovative design that gives one the impression that they are on a larger yacht when onboard due to her expansive exterior deck spaces, fold down balconies back aft and extensive use of glass both on the main & upper superstructures.

At 299GRT she has substantial volume and sleeps up to 10 guests in 5 cabins including a spacious main deck master cabin + 6 crew.

She has a modern day layout where the entire main deck is one open space with the exterior & interiors combining into one. Fold down balconies are located in two locations - all the way back aft towards the transom and also mid-ship located off of the main salon. When the side & aft sliding doors are open the entire space gives an alfresco feel. The upper deck features an additional exterior lounge area while the interior space is dedicated to formal dining.

Her exterior design is from HydroTec while the interior decor is created by Milan based Hot Lab. Built to Commercial Class & MCA Compliant. Steel hull, aluminum superstructure - pedigree quality and attractive delivery dates.

Hull #1 has been sold and delivered as M/Y MATILDE 7 while Hull #2 is available for immediate purchase. 24 month delivery period.

First four photos shown are from Hull #1, MATILDE 7, delivered earlier this year.

Full specifications
