ABOUT

Aquila 42 Yacht

This 2024 Aquila 42 Yacht combines the space of a larger yacht, the stability of a power catamaran, and the comfort needed for unforgettable cruising along Florida's Gulf Coast.

Powered by twin Volvo D4 diesel engines, this Aquila 42 delivers efficient, confident performance while its wide-beam power catamaran design creates exceptional interior volume and stability. Designed for extended enjoyment on the water, this yacht features three staterooms, two heads, a spacious salon, expansive flybridge, and thoughtfully designed living spaces that allow family and friends to comfortably spend more time aboard.

The Aquila 42 is built around the idea that the best boating experiences happen when you stay longer. The open salon flows naturally into the aft cockpit, the flybridge creates a private outdoor gathering space with panoramic views, and the generous layout provides the storage, comfort, and flexibility needed for weekend escapes or extended cruising. Every area is designed to make life aboard feel effortless, whether relaxing at anchor, entertaining guests, or exploring a new destination.

From cruising Clearwater Harbor to spending the day at Caladesi Island, exploring Anclote Key, or enjoying a sunset cruise along Florida's Gulf Coast, this Aquila 42 is perfectly suited for the relaxed cruising lifestyle that makes the area one of the country's premier boating destinations.

Backed by MarineMax expertise and supported by our experienced Clearwater team, this Aquila 42 Yacht offers confidence from your first showing through every adventure ahead. Contact MarineMax Clearwater today to schedule your private showing.
