ABOUT

Aquila 44 Yacht

2017 Aquila 44 Power Catamaran - Extensively Upgraded - Move-In Ready

"Lucky Stars" is not your typical used Aquila 44. Over the course of her ownership, she has received an extraordinary list of upgrades that fundamentally transform what this boat is capable of, a complete energy system overhaul, new generator, full enclosure, new upholstery throughout, and freshly serviced engines and generator. She can run all night at anchor on battery power alone.

If you are looking for a move-in-ready Aquila 44 with serious liveaboard and extended cruising capability, "Lucky Stars" deserves a hard look. She has been loved, invested in, and genuinely improved by owners who clearly used and cared for her.

• 1,200 AH LiFePO4 lithium battery bank with 1,600W solar
