Aquila 44 Yacht

2018 Aquila 44 Power Catamaran: Freshly Serviced with New Bottom Paint

This 2018 Aquila 44 is ready to get back on the water. The engines and generator were just serviced and she received a new bottom in June 2026, so the big maintenance items are already handled. She was also built with a long list of factory options, including inside steering, a full Raymarine electronics package, chilled water A/C, and a well equipped flybridge.

The Aquila 44 is known for its spacious 3 cabin / 3 head layout, panoramic salon and galley, and oversized flybridge. If you want a proven power catamaran that has been cared for and is set up for comfortable cruising, this one deserves a close look.
