ABOUT

Aquila 44 Yacht

Offered at $799,000

An exceptional opportunity to purchase a 2026 Aquila 44 Yacht at a substantial savings compared to purchasing new.

This is the newest Aquila 44 currently in the MarineMax Vacations charter fleet and has only been in the program for a few months. With low engine hours, immediate availability, and the option to continue in the MarineMax Vacations Charter Yacht Ownership Program for a new three-year term , this yacht represents a unique opportunity in the pre-owned Aquila market.

The new owner can choose the ownership structure that best fits their goals:

PRIVATE OWNERSHIP

Purchase the yacht for private use and enjoy the Aquila 44 exclusively on your own schedule.

MARINEMAX VACATIONS – FIXED PAYMENT PROGRAM

Keep the yacht in the existing charter program under a new three-year agreement with predictable monthly payments while MarineMax Vacations professionally manages the yacht during the program term.

MARINEMAX VACATIONS – REVENUE SHARE PROGRAM

Choose the Revenue Share option for an ownership structure tied to charter performance with increased flexibility for owner use.

The Aquila 44 has earned a strong reputation as a versatile power catamaran, combining impressive interior volume, excellent entertaining spaces, comfortable accommodations, and the efficiency and stability expected from a power catamaran. Its expansive flybridge, spacious salon and galley, generous outdoor living areas, and private accommodations make the Aquila 44 equally suited for extended cruising, entertaining family and friends, or operating within a professionally managed charter program.

Given the age, condition, low hours, and pricing of this vessel compared with other Aquila 44s on the market, serious buyers are encouraged to act quickly.

Contact us today for complete specifications, current engine hours, additional photos, program details, financial illustrations for the Fixed Payment and Revenue Share options, or to arrange a showing.

Charter program participation is subject to MarineMax Vacations approval and applicable program agreements. Buyers should consult their own tax and financial advisors regarding individual financial or tax considerations.
