ABOUT

Aquila 47 Molokai

This 2025 Aquila 47 Molokai is an exceptional opportunity to own a like-new offshore power catamaran without the wait or price of a new build. Captain maintained since delivery and showing only 120 original hours , this vessel has been meticulously cared for and outfitted with an impressive list of premium upgrades for serious anglers, cruisers, and entertaining alike.

Powered by quad Mercury 400 V10 Verado outboards , the Aquila 47 Molokai delivers outstanding performance, efficiency, and confidence offshore. Whether you're running to the canyons, island hopping, or enjoying a weekend at the sandbar, this vessel is equipped to do it all.

The helm features twin 24-inch multifunction displays , providing an advanced navigation and systems interface. Offshore capability is further enhanced with FLIR thermal imaging , Starlink satellite internet , Gemlux outriggers , and twin Power-Pole trolling motors , making this the most capable and technologically advanced Molokai on the market.

The spacious cockpit is designed for both fishing and entertaining, featuring the sought-after Release Marine teak seating package and cockpit air conditioning for added comfort on warm days. Inside, the climate-controlled cabin offers air conditioning , a comfortable full berth , and a private stand-up head with wet-head shower , making overnight trips and extended cruising enjoyable.

A lithium battery package provides reliable power management and extended time away from the dock, while the captain-maintained condition ensures this vessel presents exceptionally well both mechanically and cosmetically.

Notable Features Include:

• Captain maintained since new

• Only 130 original hours

• Quad Mercury 400 V10 Verado outboards
