LOCATION

Mobile, Alabama, United States

2014 Aquila 48'

Owners upgrades and notes:

2026 update:

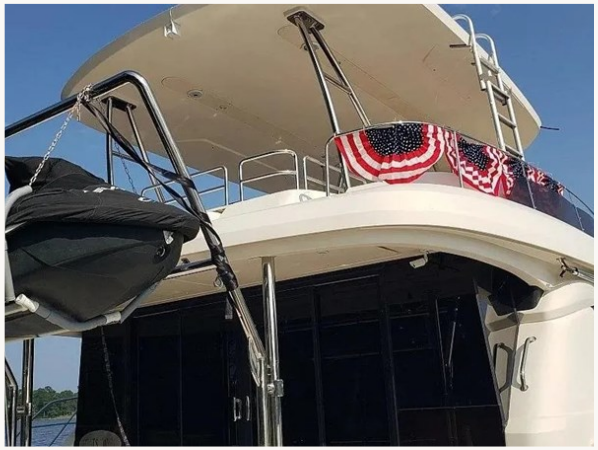

Just had the generator removed, stress-tested, oil checked by a laboratory, sound enclosure rebuilt, engine mounts replaced. Everything is great condition.

Finished having most of the boat re-caulked. “Mostly” because some of it is unreachable while in the water. That will have to wait for a haul-out. But it’s mostly done & looks great. It makes a nice difference.
