ABOUT

# Aquila 54 Yacht

MarineMax Yachts and Josh Annarelli are proud to present LAURA ASHLEY, a 2021 Aquila 54 Yacht power catamaran located in St. Petersburg, Florida. Captain-maintained under both owners, she is powered by twin 480 hp Volvo Penta D6 diesels with fewer than 1,050 hours. Highlights include the four-stateroom, four-head layout, fully enclosed flybridge, and a newly installed air-conditioning chiller system.

Notable Options & Equipment

- Twin Volvo Penta D6 diesels, 480 hp each, with fewer than 1,050 hours
- Kohler 21 kW generator with approximately 1,700 hours
- Newly installed air-conditioning chiller system
- Four staterooms and four heads with light wood interior finishes
- Fully enclosed flybridge with Portuguese bridge and direct foredeck access
- Raymarine electronics package, bow thruster, and remote-controlled spotlight
- Kenyon galley cooktop and flybridge grill
- Full-size refrigerator and freezer
- Upgraded JL Audio system throughout
- Washer/dryer combo
- Synthetic teak cockpit decking
- Hydraulic aft lift platform and separate electric dinghy davit

Salon, Galley & Accommodations

At 54 feet 2 inches overall with a 25-foot 2-inch beam, the Aquila 54 has room for a generous main-deck salon and a wide aft cockpit. Panoramic salon windows complement the light wood interior, and large sliding doors connect the salon and cockpit for dining and entertaining. The galley features a Kenyon cooktop and full-size refrigerator and freezer, with room to provision for longer trips. Four staterooms and four heads give family and guests their own space, and a washer/dryer combo adds convenience on extended stays.

Enclosed Flybridge & Portuguese Bridge

The fully enclosed flybridge gives the captain a protected helm and guests a second lounge with an elevated view. The Raymarine electronics package is at the upper helm, with a bow thruster to assist during docking and a remote-controlled spotlight for low-light maneuvering. The Portuguese bridge and centerline stairs provide direct access from the flybridge to the foredeck. Aft of the enclosure, the Kenyon grill lets you cook outside while staying close to guests on the bridge.

Aft Cockpit, Swim Platform & Tender Handling

The aft cockpit features synthetic teak decking and offers a shaded gathering area just outside the salon. At the stern, the hydraulic lift platform lowers for easy water access at anchor. A separate electric dinghy davit handles tender launching and retrieval. The upgraded JL Audio system provides sound throughout the yacht.

LAURA ASHLEY is available for private showings by appointment in St. Petersburg, Florida. Please contact Josh Annarelli with any questions or to schedule a showing.
