ABOUT

Aquila 54 Yacht

This 2022 Aquila 54 Yacht combines the stability of a power catamaran with the comfort of a luxury waterfront residence, creating an exceptional platform for owners who want to cruise farther and stay longer.

Twin Volvo D6 480 HP diesel engines provide smooth, confident performance, while dual bow thrusters make docking remarkably manageable. This MarineMax Certified Pre-Owned Aquila is exceptionally equipped with Raymarine Axiom Pro navigation, radar, AIS, autopilot with wireless remote, a Kohler 16kW generator, inverter/charger, hydraulic swim platform, premium SeaDek decking, chilled-water air conditioning, underwater LED lighting, and a fully enclosed flybridge that extends your enjoyment in virtually any weather. Three private staterooms with queen berths, three heads, a washer and dryer, and beautifully finished dark walnut cabinetry create an inviting environment for extended time aboard.

This Aquila is designed around effortless living on the water. The expansive flybridge creates a natural gathering space with commanding views, while the open salon and aft cockpit flow together for entertaining, relaxing, or enjoying quiet evenings at anchor. Every space is designed to make life aboard feel comfortable, whether you're hosting friends for the afternoon or spending several nights exploring Florida's Gulf Coast.

From cruising Clearwater Harbor to weekends at Caladesi Island, Sand Key, or longer adventures along Florida's west coast, this Aquila 54 is built for owners who measure their boating experiences by the destinations they discover, not the miles they travel.

Backed by MarineMax Certified Pre-Owned standards and supported by our experienced Clearwater team, this Aquila 54 offers confidence from your first showing through every adventure that follows. Contact MarineMax Clearwater today to schedule your private showing.
