ABOUT

Avalon Vnt QL21

This 2026 Avalon VNT QL21 is a great choice for anyone looking to spend more time on the water and less time worrying about what the boat can handle. Powered by a Yamaha 115 VMAX SHO outboard with just 30 hours, this pontoon offers a great combination of performance, comfort, and easy operation. With electric start and power trim and tilt, getting underway is simple, while the L-shaped lounge seating, helm chair, and removable table create plenty of room to relax, socialize, and enjoy the day.

Located at MarineMax Gulf Shores, this Avalon is ready to make the most of the Gulf Shores area and the surrounding Gulf Coast. Cruise through the Intracoastal Waterway, head toward Orange Beach for a waterfront lunch, or find a quiet stretch of water near Wolf Bay to drop anchor and enjoy the afternoon. The aluminum pontoon construction, stainless-steel hardware, Bimini top, and boarding ladder give you the practical features you want for everything from casual cruising to swimming and exploring.

The VNT QL21 is also designed with comfort in mind. Premium marine-grade upholstery gives the seating a clean, upscale feel, while plenty of under-seat storage and helm console storage help keep the deck organized. The removable table is perfect for snacks and drinks with the family, and integrated drink holders make sure everyone has a convenient place for their beverage. LED interior and courtesy lighting add a nice touch when the afternoon turns into an evening cruise.

When it's time to set the mood, the Bluetooth-capable marine stereo and speakers make it easy to bring your favorite music along, while USB charging keeps your devices ready for the next adventure. Whether you're cruising past Orange Beach, spending the afternoon around Robinson Island, or watching the sunset along the Alabama Gulf Coast, this 2026 Avalon VNT QL21 is built to make every day on the water more comfortable, convenient, and fun.
