ABOUT

Aviara AV28 Outboard

Trades may be considered.

The 2025 Aviara AV28 Outboard brings together head-turning style, impressive performance, and effortless comfort for days on the water. Powered by twin Mercury 250HP outboards and equipped with smooth JPO joystick controls, the AV28 delivers confident handling and an incredibly enjoyable ride, whether you're cruising along Clearwater Beach, exploring Caladesi Island, or heading out for a full day on the Gulf. At the helm, a 12" Simrad chartplotter GPS and 10.1" control screen put navigation and boat systems right at your fingertips. Mercury Active Trim and automatic bilge pumps add another layer of convenience and confidence. Finished in a sleek Lt. Gray hull with white and silver satin metal accents, this boat looks just as good at the dock as it does underway.

Step aboard and you'll find a thoughtfully designed cockpit that makes entertaining and relaxing equally easy. Plush gray Cool Feel vinyl upholstery pairs beautifully with linen solid surface accents and gray SeaDek flooring, creating a clean, contemporary feel throughout. The power retractable bimini offers welcome shade on sunny Florida afternoons, while double-wide helm seats with flip-up bolsters and an Italian-crafted steering wheel make every trip comfortable. Smart storage solutions, including hinged seat bases, dedicated fender compartments, and convenient storage cubbies, keep everything organized. After a swim or a day in the sun, the transom shower makes rinsing off easy, and the spacious head compartment with a 19-gallon waste holding tank adds comfort for longer days aboard.

When it's time to turn up the fun, the AV28 delivers. RGB accent lighting throughout the cockpit and underwater creates an incredible atmosphere after sunset, while the premium Klipsch sound system keeps your favorite music going all day long. Wireless phone charging and a convenient transom stereo remote make entertaining effortless, whether you're anchored off Sand Key or cruising the Intracoastal.

Designed with both comfort and practicality in mind, the AV28 features a stainless steel windlass anchor, multiple 8" pull-up cleats, and essential safety equipment, including a handheld fire extinguisher, bilge blower system, and fuel system carbon canisters. From spontaneous afternoon cruises to all-day adventures with family and friends, the 2025 Aviara AV28 Outboard is ready to make every day on Florida's Gulf Coast a little more memorable.
