ABOUT

Aviara AV32

The 2023 Aviara AV32 stands out with its commanding presence and sophisticated performance. Outfitted with twin Ilmor 6.0L 380HP engines and effortless joystick control, this boat offers the kind of power and precise handling that make threading through the winding Metedeconk River or getting up on plane in Barnegat Bay a truly enjoyable experience. AutoGlide automated trim tabs constantly fine-tune your ride for smooth, confident cruising—whether you're gliding past waterfront homes in Brick, NJ, or dropping anchor near favorite local sandbars.

This AV32's striking custom navy and white hull, highlighted by rich teak accents and silver satin metal touches, never goes unnoticed at the dock or underway. A power retractable sunshade awaits to cool off friends and crew on sun-soaked afternoons, and once the sun dips low over the bay, cockpit and underwater RGB accent lighting set an inviting scene for twilight cruises or dockside gatherings.

Heated helm and cockpit seats bring luxury and comfort even to brisk early-morning outings, while upgraded Cordova coolers keep your drinks perfectly chilled all day long. Every detail is designed to elevate your time on the water—whether you're exploring the peaceful bends of the Metedeconk, joining the fun on Barnegat Bay, or unwinding with friends against a backdrop of iconic Jersey Shore landmarks.

The 2023 Aviara AV32 delivers performance, style, and comfort, making every day on the water around Brick, NJ a standout adventure.
