2025 Aviara AV32

The all-new 2025 Aviara AV32 sets the standard for luxury day boating, combining sophisticated styling with exhilarating performance. Powered by twin Ilmor 6.2L 430 engines, this premium sport cruiser delivers smooth, responsive power whether you're cruising the open waters of Grand Lake, enjoying lunch at Shangri-La Resort, or dropping anchor in one of the lake's quiet coves for an afternoon swim. Its deep-V hull with approximately 20 degrees of deadrise provides a confident, comfortable ride in a variety of water conditions, while the impressive 179-gallon fuel capacity gives you the freedom to spend the entire day exploring Monkey Island, Duck Creek, and beyond without constantly watching the fuel gauge. With an overall length of approximately 32 feet and a generous 10'4" beam, the AV32 offers the perfect balance of performance, stability, and spaciousness.

Designed for entertaining from sunrise to sunset, the AV32 features an expansive social cockpit, spacious bow seating, and a large swim platform that makes every stop on Grand Lake even more enjoyable. Premium upholstery, refined materials, and thoughtful storage create a luxurious atmosphere throughout, while the comfortable cabin provides the perfect retreat when you need a break from the sun. At the helm, modern digital instrumentation keeps every system at your fingertips, complemented by an enhanced premium sound system, elegant mood lighting, advanced shade systems, and upscale finishes that elevate every outing.
