ABOUT

Aviara AV32 Ob

The profile gets your attention before you hear the twin V8s. A sweeping jet black hull gives this 2024 Aviara AV32 its striking black and white profile, while tan Cool Feel upholstery and matching SeaDek bring warmth to the cockpit. At the transom, twin black Mercury 300-hp V8 Verados deliver 600 horsepower for the run down the coast. When you pull into a favorite waterfront restaurant, Mercury Joystick Piloting gives you precise control around the dock.

Drop anchor, extend the power-retractable aft sunshade, and the cockpit is ready for lunch on the water. Open the folding teak table, grab something cold from one of the upgraded Cordova coolers, and enjoy the shade. The gas-assisted transom barstool-style seats give guests a front-row view of the swimming action, while the bow stereo remote lets the crew up front pick the next track on the Klipsch premium audio system.

The factory build also includes AutoGlide automated trim tabs, a 12-inch chartplotter, two cooled cupholders at the helm, and a windlass with a stainless-steel anchor and washdown. When the sun slips below the horizon, RGB cockpit and underwater lighting give everyone a good reason to stay aboard a little longer.
