ABOUT

Aviara AV32 Outboard

The 2021 Aviara AV32 Outboard redefines what it means to cruise the waters of Somers Point with a blend of innovative features, refined style, and high-performance engineering. Powered by twin Mercury White 300 JPO V8 AMS engines, this vessel delivers thrilling acceleration and ultra-smooth handling—perfect whether you're chasing open water exhilaration in Great Egg Harbor Bay or enjoying a relaxed jaunt near the Somers Point Waterfront.

Docking and anchoring are seamlessly managed with the stainless steel windlass anchor system, while the windshield wiper with sprayer keeps your view clear as you cruise past local sights or navigate back to port. The AV32's head-turning white and coastal blue hull, complete with upscale carbon surface accents and silver satin metal details, ensures you'll stand out whether you're rafting up with friends or making an elegant entrance at Bernstein's Marina.

Entertaining is effortless thanks to a teak folding cockpit table—the center of gatherings large and small—and versatile sun protection, courtesy of a power retractable aft sunshade and a stowable bow shade. As the sun dips lower, cockpit and underwater RGB accent lighting set a vibrant mood, while stereo remotes at both the bow and transom let everyone enjoy their playlist, no matter where they are onboard.

The Aviara AV32 Outboard is designed for those who want to make the most of every boating moment in New Jersey's inviting bayside community.
