ABOUT

Aviara AV32 Outboard

Embark on unforgettable adventures aboard the 2024 Aviara AV32 Outboard, a vessel crafted for both excitement and luxurious comfort throughout Fort Myers' vibrant waterways. With powerful twin JPO 300HP VDO engines, you'll glide effortlessly down the scenic Caloosahatchee River, ready for a day of exploration or entertaining guests. Navigation is both smooth and safe thanks to features like AutoGlide Automated Trim Tabs, docking lights, VHF radio with antenna, and a windshield wiper with sprayer—keeping you prepared for every breeze and curve along the coast.

Make a statement arriving at Fort Myers Beach, with the bold black hull and deck, red accent, and perfectly matched hull bottom and hardtop exterior. Protect your boat in style using the snapless quick cover, and enjoy barefoot comfort on soft gray Seadek decking and cockpit flooring. When the Florida sun is shining, retreat under the power retractable sunshade—ideal for sharing cool drinks with friends or family.

Refined details meet functionality throughout: the cockpit boasts light gray, cool-feel vinyl upholstery, carbon solid surface accents, and sleek black satin metal touches. Host alfresco lunches around the teak folding cockpit table, anchor in clear waters using the stainless steel windlass system, and set the mood for sunset cruising with vibrant RGB accent lighting that glows in the cockpit and underwater.

Entertainment is always within reach, thanks to the bow stereo remote, while comfort is elevated by cooled cup holders at the helm and Cordova cooler upgrades under seating and at the wetbar. After a swim near Sanibel Island or Lovers Key, rinse off using the transom shower with overboard discharge and macerator. Gather everyone at the gas assist transom barstools-style seating, perfect for conversations or savoring the fresh breeze.
