ABOUT

Aviara AV36

Set sail in true Boston style with this luxury boat engineered for unforgettable days on the harbor and nights beneath city lights. Picture yourself gliding past iconic sights like the Charles River Esplanade and the historic USS Constitution, with the power of twin ILMOR 6.2L 430HP engines at your command. The AV36's bold black and light gray hull turns heads from Rowes Wharf to the bustling docks at Fan Pier.

This vessel is outfitted with a gourmet wet bar and an electric double grill, perfect for prepping fresh lobster rolls before anchoring at Spectacle Island or staging a sunset dinner near Boston Light. Stainless steel pull-out refrigerators and a Cordova cooler upgrade keep your beverages and seafood chilled, while Seadek flooring in the cockpit and cabin deliver comfort underfoot—even when you're barefoot at sunrise, sipping coffee by the marina.

A power retractable aft sunshade and stowable bow shade provide relief during sunny afternoons alongside the Boston Harbor Islands, while the heated seats and cockpit heater ensure warmth during crisp fall foliage cruises along the Mystic River. The AV36 features a folding teak cockpit table for gathering friends, plus a teak bow table with filler cushion for lounging with the skyline as your backdrop.

When night falls, RGB accent lighting—both in the cockpit and underwater—sets the mood for entertaining, and the LED TV with Klipsch soundbar wraps your party in high-fidelity sound as city lights twinkle on the water. Docking lights, VHF radio, and a windlass anchor system make arrivals and departures at Marina Bay effortless, and the fiberglass submersible swim platform beckons swimmers after dockside brunches at the Barking Crab. Easy-attach fender clips, a transom walk-through door, and a transom shower add convenience and safety for guests.

With the 2022 Aviara AV36, every landmark becomes your playground, every harbor a stage for luxury, and every Boston boating excursion an adventure in comfort, style, and innovation.
