ABOUT

Aviara AV36

The 2022 Aviara AV36 delivers an ideal combination of power, luxury, and contemporary style, perfectly designed for memorable adventures on Boston's storied waters. Outfitted with twin ILMOR 6.2L 430HP engines and joystick control, navigating through Boston Harbor, gliding up the Charles River, or docking alongside bustling Rowes Wharf feels effortless and precise. The robust 7.5KW generator keeps every onboard amenity running smoothly, so comfort accompanies you from start to finish.

Unforgettable entertaining awaits with a gourmet wet bar and double electric grill, inviting you to host relaxed dockside lunches or sunset dinners near the historic Esplanade. Heated seats at both the helm and cockpit extend the New England boating season, keeping everyone warm even as the ocean breeze picks up. Take the fun right to the water's edge with a power submersible swim platform—perfect for refreshing swims, diving in for harborfront views, or launching paddleboards.

As the sun sets behind the Boston skyline, cockpit and underwater RGB accent lighting set a stunning scene, highlighting the elegant navy and white hull, silver satin accents, and navy canvas. Whether you're moored to enjoy city lights reflected on the harbor or sharing cocktails as the Zakim Bridge comes aglow, this Aviara AV36 turns every outing into an occasion of style and comfort.
