ABOUT

Aviara AV36 Outboard

This 2023 Aviara AV36 Outboard brings 900 horsepower, progressive design, and the kind of open space that makes spending an entire day on the water feel effortless.

Triple Mercury 300 V8 outboards give this 36-foot AV36 the power to cover serious ground, while its 10-foot-1-inch beam creates an expansive platform for entertaining, relaxing, and enjoying time together. Below deck, the refined cabin provides a private retreat, while the dedicated head and 37-gallon freshwater capacity add the comfort to stay out longer.

Aviara designed the AV36 around shared experiences. Its modern open layout keeps everyone connected, whether you are underway, anchored for lunch, swimming off the stern, or watching the sunset. With 214 gallons of fuel and 26 gallons of holding capacity, the boat has the range and amenities to make full days aboard feel natural rather than planned around the clock.

From Sarasota Bay to Longboat Key, Siesta Key, and the Gulf, this AV36 is perfectly suited to the way Southwest Florida is meant to be enjoyed.

Located at MarineMax Sarasota on Lido Key, this Aviara gives you 36 feet of modern design, 900 horsepower, and the confidence of a dealership with an on-site marina, service, and storage resources. Contact our Sarasota team today to schedule your private showing.
