ABOUT

Aviara AV36 Outboard

Trades may be considered.

The 2024 Aviara AV36 Outboard delivers the perfect blend of performance and sophistication, powered by triple Mercury JPO 300 Black outboards. Whether you're cruising the shimmering waters of Biscayne Bay or threading past the elegant homes of Star Island, this vessel offers exhilarating speed and effortless control. With a VHF radio for reliable communication, a 7.5KW generator, and a 400W inverter, you'll stay connected and powered up for Miami adventures, while AutoGlide automated trim tabs smooth out every ride.

Bold design meets functionality with a sleek black hull and deck, accented by light gray tones that shine under the Miami sun. The cockpit is crafted for comfort, featuring Seadek flooring and a power retractable sunshade for relaxing afternoons. Gather friends and family around the teak folding cockpit table for drinks and snacks, then anchor with confidence using the stainless steel windlass, rope, and chain—bow rubrail docking lights make nighttime arrivals along the illuminated Miami Beach skyline a breeze.

Entertainment and comfort are front and center thanks to a gourmet wet bar equipped with a Cordova cooler upgrade, perfect for ice-cold refreshments as you take in sunset views. Custom RGB accent lighting creates a vibrant ambiance, and the bow stereo remote lets you set your soundtrack for every Miami journey. Gas assist transom barstool seating offers lively conversation spots, carbon solid surface accents add contemporary flair, and cabin HVAC, overboard discharge with macerator, plus a transom shower provide an extra level of onboard comfort and convenience.

Culinary options abound with an electric grill, microwave, and an additional stainless steel refrigerator—ideal for dockside picnics or impromptu meals. Cooled cup holders at the helm ensure your favorite drinks stay refreshingly chilled on hot Florida days. Whether you're navigating the Intracoastal or anchoring near vibrant South Beach, the Aviara AV36 Outboard makes every excursion a showcase of luxury, power, and the unmistakable Miami boating spirit.
