ABOUT

Aviara AV40

The 2024 Aviara AV40 sets the standard for luxury day boating, combining sophisticated European-inspired styling with exhilarating performance and premium craftsmanship throughout. Powered by twin Ilmor 7.4L HO engines producing an impressive 1,040 total horsepower, this AV40 delivers thrilling acceleration while joystick piloting makes docking and close-quarters maneuvering remarkably effortless. Its Deep-V hull provides a confident, smooth ride in a variety of conditions, while the power-actuated submersible swim platform and dual fold-down terraces transform the stern into an expansive waterfront lounge. Entertaining is effortless thanks to the gourmet wet bar complete with a grill, refrigerator, and solid surface countertop, while the power sunroof brings fresh air and sunshine into the spacious cockpit. At the helm, triple Garmin displays, integrated digital engine monitoring, ergonomic push-button controls, and a premium Klipsch sound system create an exceptional command center. Below deck, the beautifully appointed cabin comfortably sleeps four with a queen berth, convertible lounge, private enclosed head with shower, designer finishes, generous storage, and upscale accommodations for extended weekends on the water.

Located at MarineMax Rogers , this Aviara AV40 is perfectly positioned to explore the crystal-clear waters of Beaver Lake, one of the premier boating destinations in the Ozarks. Cruise through Big Clifty Arm, anchor in the quiet coves around Horseshoe Bend, or spend the afternoon swimming and relaxing near Prairie Creek before enjoying dinner at one of the area's popular waterfront destinations. Whether you're hosting friends with the expansive cockpit, enjoying a sunset cruise with the terraces lowered over the water, or spending the weekend exploring Beaver Lake's scenic shoreline, this AV40 delivers an unmatched blend of luxury, performance, and unforgettable experiences every time you leave the dock.
