ABOUT

Aviara AV40 Outboard

This 2024 Aviara AV40 Outboard brings progressive European-inspired design, expansive entertaining space, and true overnight capability together in a yacht built to extend every day on the water.

Aviara's AV40 is designed around doing more with the same day. Twin fold-down terraces expand the cockpit at anchor, while the 41-foot platform, 12'4" beam, and yacht-certified layout give family and friends room to spread out. The standard package includes a 19-inch Simrad chartplotter, 10.1-inch control screen, electric-hydraulic steering, joystick controls, Klipsch premium audio, integrated hardtop, teak cockpit table, windlass, bow cooler, transom walk-through, and convertible transom seating.

Below deck, the AV40 continues the experience with a queen-size memory-foam bed, convertible lounge berth, 43-inch LED TV and soundbar, cabin HVAC, stainless refrigerator, microwave, hot-water heater, 7.5KW generator, and a full head with porcelain electric toilet. This particular Sarasota boat adds the opportunity to enjoy those amenities aboard a 2024 model already positioned for the Gulf Coast lifestyle.

From cruising Sarasota Bay to spending the afternoon around Siesta Key, settling into a Gulf Coast anchorage, or turning a day on the water into a weekend away, this AV40 gives you the space and flexibility to stay out longer.

Backed by our MarineMax Sarasota team, this Aviara AV40 offers the confidence of purchasing through a professional dealership with sales, service, marina, and storage capabilities in one location. Contact MarineMax Sarasota today to schedule your private showing.
