ABOUT

Aviara AV40 Outboard

Trades may be considered.

Experience the perfect balance of performance and luxury aboard the 2024 Aviara AV40 Outboard, designed with Sarasota's waterways in mind. Its twin Mercury 600 V12 outboard engines deliver the speed and agility you crave, whether you're cruising Sarasota Bay, navigating the quiet channels near Siesta Key, or admiring the coastline along Longboat Key. With a SeaKeeper 3 gyro stabilizer and a reliable 9.5KW generator, your ride stays smooth and comfortable, and every onboard amenity operates flawlessly.

Elegance and thoughtful design define the AV40's exterior. A striking white hull and deck with black accents, complemented by tan Seadek cockpit flooring, create a timeless look. Practical touches like power retractable sunshade and fiberglass hardtop sunroof let you find the ideal balance of sun and shade, while gas-assist transom barstools offer prime seating for casual conversation or sunset watching. Fender clips matching the sleek metal accents ensure effortless docking and a cohesive appearance.

When the sun sets, the boat transforms with RGB accent lighting and docking lights that highlight its modern lines. Entertainment is always at hand thanks to bow and transom stereo remotes, a cockpit TV, and cooled cup holders at the helm for perfectly chilled drinks. The interior provides a comfortable retreat, featuring tan cool feel vinyl upholstery, plush bedding and linens, and a convenient transom shower. Overboard discharge with macerator makes post-swim clean-up simple and discreet.

Entertaining is a pleasure with the gourmet wet bar, additional stainless steel refrigerator, and dual electric grill. Whether you're serving up a barbecue anchored off Bird Key or hosting friends after an afternoon at Lido Beach, this AV40 Outboard makes every gathering effortless. Offering robust performance, refined amenities, and contemporary style, it's a standout choice for exploring Sarasota's beautiful coastal landmarks.
