ABOUT

Aviara AV40 Outboard

Experience the 2025 Aviara AV40 Outboard, a striking combination of power, luxury, and innovative technology crafted to elevate your boating adventures along Florida's Gulf Coast. Twin Mercury V12 600HP engines finished in white deliver exhilarating performance and impressive handling. Navigation is effortless with Mercury Vessel View, a 19-inch chartplotter, 4k UHD radar, and VHF radio, while the SeaKeeper 3 gyro stabilizer and bow thruster ensure smooth, steady cruising around the vibrant waters of Fort Myers.

The exterior shines in navy and white, accented by elegant metal finishes and finely crafted teak tables in both the cockpit and bow—perfect for sunset dinners and lively gatherings. Comfort and style extend into the seating areas with tan vinyl upholstery and Seadek flooring, while the power retractable sunshade provides welcome relief from the Florida sun. Relax to the sounds of the premium Klipsch audio system and enjoy the seamless ambiance created by LED and RGB accent lighting.

Step inside the thoughtfully appointed cabin to find climate control, plush bedding, and a refreshing transom shower—ideal for unwinding after a day on the water. The fully equipped galley features a microwave, electric grill, refrigerator, and wet bar, making it easy to entertain or enjoy casual meals while anchored near Sanibel Island or Naples Bay. Practical touches like cooled cup holders, digital cabin controls, and 12V outlets enhance the onboard experience.

Safety and convenience are at the forefront with features such as a stainless steel windlass anchor, fire extinguisher, windshield, and eight gel cell batteries. Whether exploring the scenic Caloosahatchee River, visiting favorite waterfront dining spots, or simply enjoying a relaxed family outing, the Aviara AV40 Outboard delivers a boating experience that's as fun and memorable as it is refined.
