ABOUT

Aviara AV40 Outboard

Experience the perfect blend of luxury and power with the 2025 Aviara AV40 Outboard. Equipped with twin Mercury V12 600XL VDO Outboards, this vessel serves up a thrilling 600 horsepower per engine. The 9.5KW generator ensures smooth operations throughout your day, while the SeaKeeper 3 gyro stabilizer delivers unmatched comfort as you cruise Tampa Bay. Advanced navigation, including Mercury Vessel View, a 19" chartplotter with maps, VHF radio, and 4k UHD radar, gives you confidence for both short hops and longer adventures.

Every detail is designed for style and convenience. The AV40 features a light gray hull and deck, black hull accent, Gray Cool Feel vinyl exterior, and rich black satin metal accents that shimmer in Florida's sun. The cockpit delivers comfort with plush transom loungers, a teak table, a built-in bow cooler, and a fiberglass hardtop with integrated lighting. Relax under the power retractable sunshade or snapless quick cover after a swim from the stainless steel windlass anchor and ladder.

Your evenings just got more vibrant, thanks to RGB accent lighting and full LED illumination throughout the boat. The Klipsch premium audio system, with stereo remotes at both the bow and transom, means your favorite soundtrack accompanies sunset cruises past landmarks like the Sunshine Skyway Bridge or waterfront gatherings at Fort De Soto Park. Aft and bow docking lights provide extra assurance when returning after dusk.

Inside, the AV40's interior is both refined and comfortable. Gray Cool Feel vinyl upholstery, gas-assist transom barstool seating, and carbon solid surface accents create a welcoming atmosphere. Enjoy amenities such as cabin HVAC, bedding and linens, overboard discharge with macerator, and a transom shower. All your culinary needs are met with a microwave, electric grill, refrigerator, wetbar, handy 12V outlets, and cooled cup holders at the helm. This Aviara is built for creating unforgettable memories along the sunny shores of St. Petersburg and beyond.

Trades considered.
