ABOUT

Avid 21 Fs

The 2021 Avid 21 FS is a versatile fishing machine built for anglers who want the freedom to explore while still having plenty of room to relax and enjoy a day on the water. Powered by a Yamaha 115 VMAX 115 HP outboard, this center-console delivers an excellent combination of performance, efficiency, and easy handling. The bow-mounted trolling motor adds even more versatility when working shallow water or quietly chasing fish.

With its aluminum hull, spacious forward casting deck, and well-thought-out fishing layout, the 21 FS is ready for everything from a quick morning trip to a full day on the water. Integrated rod storage, fishing and gear compartments, and a built-in livewell keep your equipment organized and ready to go. Whether you're working the flats around Okaloosa Island or exploring the calmer waters near Cinco Bayou, this Avid is right at home.

At the helm, the center-console design provides excellent visibility and an intuitive layout, with a surface-mounted compass along with speedometer, tachometer, and fuel gauges keeping the essentials right where you need them. When it's time to trade the fishing rods for some good music, the JBL stereo system with two 6.5-inch speakers makes it easy to set the mood while cruising along the Emerald Coast.

From fishing the waters around Destin Harbor to cruising past the Gulf Islands National Seashore and enjoying a sunset near Fort Walton Beach, the 2021 Avid 21 FS is built to make the most of every day on the water. It's compact enough to be easy to manage, but equipped with the fishing features, comfortable seating, and performance to turn a simple afternoon on the water into a full-on adventure.
