2013 Azimut 48 Flybridge — Italian Craftsmanship, Timeless Prestige

This meticulously maintained 2013 Azimut 48 Fb continues to reflect the refined elegance and quality craftsmanship the shipyard is celebrated for. A distinguished choice for discerning owners, she brings together performance, comfort, and understated luxury in equal measure.

Measuring nearly 15 metres, the yacht showcases Azimut's signature Italian design language — clean lines, premium finishes, and a flybridge layout suited for both quiet family cruising and gracious entertaining. Twin Cummins 600 HP engines deliver confident performance with a top speed of 30 knots, offering owners the flexibility of relaxed coastal cruising or swift passages between destinations.

Onboard, three well-appointed cabins include a full-beam master suite — a hallmark of thoughtful space planning and privacy. The salon is bright and welcoming, framed by panoramic windows that bring the surrounding seascape indoors, while premium materials throughout reflect Azimut's attention to detail and lasting build quality.

Outside, a generous aft deck and sundeck areas create versatile spaces for alfresco dining, family gatherings, or entertaining guests, complemented by a hydraulic swim platform for effortless access to the water. Advanced navigation systems provide reassurance and precise handling, whether cruising familiar waters or exploring further afield.

A vessel that balances heritage, comfort, and prestige, this Azimut 48 represents an excellent opportunity to own a piece of Italian maritime design — ideal for leisure, family time, and hosting in style.
