ABOUT

Azimut Fly 72

This 2025 Azimut Fly 72 brings Italian yacht design into a 72-foot platform where performance, space, and outdoor living are all part of the experience.

Twin MAN CR V12 engines deliver 2,800 horsepower and a reported 32-knot top speed, giving this Fly 72 the performance to cover serious distance while its 18-foot-5-inch beam creates an expansive sense of space throughout the yacht. With five cabins, five heads, 1,373 gallons of fuel, and 290 gallons of freshwater, it is designed for extended time aboard rather than simply a day on the water.

The flybridge becomes a destination of its own, while the bow and main deck create additional spaces for dining, entertaining, or settling in for the afternoon. Inside, Azimut's Italian approach to design keeps the yacht sophisticated without sacrificing the comfort needed for longer stays aboard.

From Fort Lauderdale to Palm Beach, Miami, the Bahamas, or a longer run down the Florida coast, this Fly 72 gives you the range, volume, and performance to make the journey part of the destination.

Located at the MarineMax Pompano Yacht Center, this Azimut offers the opportunity to step into a late-model 72-foot yacht through a dealership focused on the yachting experience. Contact our Pompano team to arrange a private showing.
