ABOUT

Azimut Fly 78

Will be at Fort Lauderdale International Boat Show, located at Bahia Mar B-241.

More than a 78-foot yacht, the Azimut 78 Fly delivers the space, privacy and sophistication typically associated with a much larger motor yacht.

Her innovative triple Volvo IPS propulsion, carbon-fiber construction and intelligent layout create an exceptional combination of performance, efficiency and interior volume. Four beautifully appointed staterooms accommodate eight guests, while dedicated crew quarters and true separation between guest and crew areas provide a level of privacy rarely found in this class.

Above, an expansive flybridge offers multiple entertaining and relaxation areas, while dramatic glazing and unmistakable Italian design create a light-filled interior that feels remarkably open from bow to stern.

Fast, maneuverable and designed around the way owners actually use their yachts, the 2025 Azimut 78 Fly represents a compelling alternative to moving into the 85–90-foot category.

Italian style. Superyacht-inspired privacy. Triple-IPS performance. All in 78 feet.
