ABOUT

Azimut Fly 82

The 2027 Azimut Fly 82 redefines modern flybridge yachting with bold Italian styling, expansive living spaces, and an innovative design that blurs the line between yacht and waterfront retreat. Designed by Alberto Mancini with interiors by Fabio Fantolino, the Fly 82 features sculpted exterior lines, floor-to-ceiling glazing, and thoughtfully curated interiors that balance warmth, texture, and contemporary elegance.

A standout feature is Azimut's innovative Deck2Deck Terrace, which transforms the aft cockpit into an expansive waterside lounge, creating an effortless connection between onboard living and the sea. The spacious full-beam owner's suite, panoramic entertaining areas, and refined interior finishes are designed to elevate every moment onboard, delivering a sophisticated yachting experience that is as comfortable underway as it is at anchor.
