ABOUT

Cloud 9

LOCATION

Genoa, Liguria, Italy

CLOUD 9 is a striking Azimut Grande 27M that combines contemporary Italian design, generous volume, and impressive performance in an 88-foot package. Built with Azimut's advanced use of carbon fibre and GRP, she offers the space and comfort usually associated with larger yachts while maintaining excellent stability and efficiency. Her bold exterior profile, vertical bow, and large full-height windows give her a modern and powerful presence, while her 5-cabin layout provides excellent accommodation for family cruising or charter use. Powered by twin 1,900 HP MAN V12 engines, CLOUD 9 cruises comfortably at 19 knots and benefits from a major technical upgrade completed in June 2025, including brand-new main engines with warranty through June 2027. With refreshed interiors, upgraded navigation equipment, new exterior cushions, Starlink, KVH, a serviced engine room, and extensive recent works throughout, CLOUD 9 is presented in true turn-key condition and ready for immediate enjoyment.
