1500 hours on her two MTU 16V M93 - 2400 HP

Grande 35 Metri offers unprecedented solutions, representing a masterpiece of style and space. A wide-body megayacht with a third level for an additional sundeck, side garage, two beach clubs in stern and bow and an owner's suite with a spectacular fold out terrace.

The interiors are calm and sophisticated, they provide a neutral backdrop with grafted unique, specially-designed furnishings.

The large use of carbon fiber, which Azimut has pioneered, makes it possible to extend the space available with better performance in water and unprecedented comfort onboard. The hard top, roll-bar, flydeck, superstructure and transom are carbon fiber.

The D2P Displacement to Planing® hull combines the comfort typical of a displacement hull with the performance of a planing hull and a wave piercer to improve fuel efficiency.
