ABOUT

# Magellano 60

LOCATION

Viareggio, Tuscany, Italy

An ode to freedom and elegance,the Magellano 60 is a crossover that gracefully expresses the explorer's spirit boosted by the navigational prowessof Dual Mode hull. Her discreet charm smoothly unfolds through amplespaces with a luminous nature, whilethe onboard comforts courteouslydeliver privileged travel that knows no boundaries. This pleasant and promising philosophy is adapted to prolonged journeys to new frontiers.

Free your inner explorer with the Magellano 60.

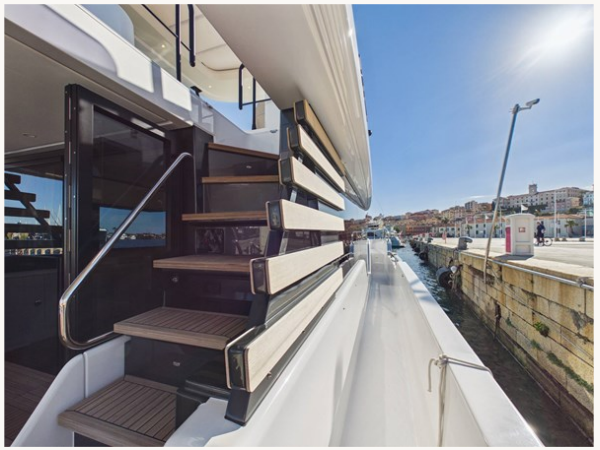

The exteriors bear the iconic signature of the Magellano Series: vertical bow, large windows, clean and elegant lines, with teak louvers as a mark of discreet and immediately architectural charm. On the Magellano 60, the clean lines evolve into more contemporary traits, with edges that define the contours of the surfaces, further enhancing the linearity of Ken Frievokh's hand

The bulwarked bow lounge soaks its social seating with sun, tempting guests to fold down the second row of sofas and extend the sunbeds. Suspended on deep cushions,feeling nothing but sky, sea and wind,another level of relaxation is possible.

The cockpit, conceived as a natural extension of the large lounge onthe main deck, becomes an Infinity Terrace overlooking the water, offering uncompromising views without barriers thanks to a transparent glass parapet.Magellano 60 answers to the desire for closer contact with nature, for yachtsmen who love long stays on board and taking to sea in search of new frontiers and landscapes

The internal dining area sits before a floor-to-ceiling window, which offers breathtaking views of the waves.The table, with its practical square shape, can be raised and extended if necessary, allowing six guests to lunch comfortably in the presence of the sea
