ABOUT

Azimut Seadeck 6

The 2025 Azimut Seadeck 6 embodies Italian elegance and cutting-edge innovation, purpose-built for the ultimate New England escape. Equipped with triple Volvo IPS 650 engines, this yacht delivers smooth power and precision handling as you glide through Boston Harbor, cruise beneath the Zakim Bridge, or trace the historic waterfront. The Seakeeper Stabilizer 9 ensures every trip stays steady—even when passing ferries or chasing a sunset past the city skyline.

Sunlight shimmers off the eco-friendly solar panels integrated on the sleek hard top, keeping you off the grid while lounging on stylish cork decking that is comfortable beneath bare feet. As the sun goes down, the luxury exterior lighting package, featuring underwater lights on the sides and transom, transforms your yacht into a floating beacon—perfect for evening gatherings with the skyline as your backdrop.

Enjoy sophisticated entertaining with the upgraded cockpit table, finished in chic synthetic marble, and Thun decorative cushions that invite guests to relax in style. An extendable hi-lo salon table adapts to any occasion, from casual family brunches to elegant evening celebrations. Every detail on the Seadeck 6 was chosen for both form and function, making it a pleasure to dock at Rowes Wharf, anchor at Spectacle Island, or slip away to quieter coves along the Boston coast.

Whether navigating the Charles River or hosting friends with panoramic city views, the Azimut Seadeck 6 seamlessly blends contemporary comfort, innovative technology, and Italian design—making every day on the water around Boston a memorable adventure.
