Vessel is Offsite

A fully specified 2023 Azimut Verve 47, maintained with an open checkbook. Finished in painted Urals Grey from hull to hardtop, this is a high-performance outboard yacht with genuine overnight capability — Italian finish, American power, and a options list that was written without compromise.

With 460 hours, meticulous service records, and Brunswick Passport Premiere waranty until 2029, these Mercury 450R's are well broken in and primed for many more years of enjoyment.

What makes the Verve 47 special

The Verve 47 sits in a narrow part of the market. Francesco Struglia's exterior and Michael Peters' patented Stepped V Ventilated Tunnel hull give it the stance of a dayboat and the manners of an offshore yacht. Quad Mercury 450 outboards produce 1,800 horsepower, with published performance in the region of 37 knots cruise and 50 knots at the top end. Below decks it is a true two-cabin yacht, not a console with a berth. On deck it entertains at the level the design intends: fold-down side terrace, full cockpit galley, electric awning, and a bow that works as both lounge and sunpad.

This hull was specified to the top of the book and then improved further with a Raymarine FLIR M332 thermal night-vision camera.

Condition

Meticulously maintained on an open checkbook. Presented in exceptional condition and ready for immediate use.
