ABOUT

M/Y LIONESS

LOCATION

Athens, Attica Region, Greece

With her unmistakable lines and Arneson surface drives, the Baia 70 "LIONESS" is one of the most iconic high-performance yachts of the past 20 years. Following an extensive refit completed between 2023 and 2025, she offers the rare combination of exhilarating performance and refined Italian design.

Powered by 2 x Caterpillar C32 Acert 1825HP engines, LIONESS cruises effortlessly at 40 knots and reaches up to 52 knots—a true smile-inducing experience for any speed enthusiast.

Every mechanical system has been overhauled, ensuring long-term reliability and peace of mind. Accommodation includes three elegant staterooms for six guests, plus a generously sized crew cabin for two—virtually unmatched in her category. A 2024 Williams Turbojet 325 is neatly housed in the tender garage.

On deck, a spacious bow sunbed invites all-day relaxation, while a mid-ship vertical door and retractable roof seamlessly transform the main deck into an open-air experience.

"LIONESS" is arguably the finest high-performance cruiser available today. Viewings are highly recommended.

Standout Features

• Top Speed of up to 52 knots

• Best Refitted Yacht of her category on the market

• Ingenious Main Deck Cockpit Door that completely transforms the space

• Generous Crew Accommodation for Two

• VAT Paid and Privately Used in the last five years
