The Bali 4.6 sits in a very competitive part of the cruising catamaran market. Buyers will often compare it with the Lagoon 46 for its proven all-round appeal, the Fountaine Pajot Saona 47 for a good balance of comfort and performance, the Leopard 46 for practical long-distance cruising, and the Nautitech 46 Open for a slightly more sailing-focused feel.

The Excess 15, Catana 47 and Privilege 465 are also natural alternatives in this size range, depending on whether the priority is more performance, comfort or premium finish.

Against them, the Bali 4.6 stands out for its open main-deck layout, forward cockpit and strong focus on space and easy indoor-outdoor living.

It's very easy to come and see "DREAMER" :

• Cagliari Airport (CAG) — approx. 1h45 by car

• Olbia Airport (OLB) — approx. 2h via coastal route

Both airports offer frequent flights from major European cities.
