COMMENTS

Delivered in 2019, CANOVA is a state-of-the-art bluewater cruiser which combines the latest cutting-edge yacht technology with unparalleled luxury and comfort. Equipped with state-of-the-art systems, including the first-ever large sailing yacht with a DSS Sliding Foil, she offers an extraordinary sailing experience — with improved speed, reduced heeling, and enhanced comfort.

Her unique design, by Farr Yacht Design and Baltic Yachts, ensures top-tier performance and aesthetics, and a stunning contemporary interior completes the package.

After careful maintenance from her only owner to date, CANOVA is presented in turnkey condition and ready to take a new Owner anywhere in the world they want to go.

KEY FEATURES

- Designed and conceived in every detail using state-of-the-art technology by a highly experienced Owner and Captain
- Fully diesel-electric propulsion for noiseless, vibration-free cruising
