ABOUT

Liara

LOCATION

Palma, Balearic Islands, Spain

Launched in 2019, the Baltic 112 'Liara' is a masterpiece of high-performance luxury which perfectly blends speed with comfort. This premium superyacht was built by Baltic Yachts using advanced carbon composite construction methods, therefore making her one of the lightest cruising yachts of her size.

Conceived by an experienced yachtsman, Liara was designed by Malcolm McKeon Yacht Design to comfortably cruise the world while remaining highly competitive at international superyacht regattas. Her design success was officially recognized at the 2020 Boat International Design & Innovation Awards, where she won her category for ‘Best Sailing Yacht Interior’ and ‘Outstanding Exterior Designed Sailing Yacht’.

Liara sleeps 8 guests in 4 luxuriously appointed ensuite cabins. Consisting of the owners double suite forward, a double VIP cabin midships and two twin cabins aft of the saloon. There are also 3 dedicated crew cabins aft which sleep 5 in total
