ABOUT

2023 Bavaria SR41

LOCATION

Annapolis, Maryland, United States

The BAVARIA SR41 kicks off a new line of motorboats from BAVARIA YACHTS. It combines the best of the sporty BAVARIA S-Line and the BAVARIA R-Line. A comfortable cockpit, a large sunbed which can be transformed in no time into a lounge area with a table right next to the water and a large bathing platform. It makes the BAVARIA SR41 the ideal motor yacht for a perfect day on the water with family and friends.

The BAVARIA SR41's powerful drive is provided by the well-known Volvo Penta 2x380hp engines. These efficient motors make the BAVARIA SR41 a remarkably gratifying and safe yacht to handle. Large hull windows which fit perfectly into the broad black hull stripe ensure plenty of daylight below deck. From the newly designed helmstand, you have full control over the BAVARIA SR41. All instruments within sight and perfect all-round visibility are, of course, included.

The BAVARIA SR41 convinces with many individual solutions. As a COUPE she is the ideal motor yacht for longer journeys, where you don't want to compromise on comfort. Open the sunroof and doors for the sunny day at sea and ready for a powerful driving experience. You can enjoy the spacious cockpit, with room to relax for the whole family and friends. And of course the great comfort below deck.

During development, the uppermost goal was to provide the BAVARIA SR41 with the maximum space and therefore comfort possible. The result was a two-cabin layout with a luxurious midship owner's cabin and an equally comfortable VIP cabin in the bow. The owners have access to their own bathroom with a separate shower. The second bathroom is reserved for guests. The pantry is equipped with everything required to prepare a perfect dinner.
