Some yachts simply take you places. Others transform every journey into an experience worth remembering. The Bavaria Virtess 420 Flybridge was designed for those who appreciate the finer things in life and understand that the best moments are often made on the water.

With her striking European profile, inviting living spaces, and versatile flybridge design, the Virtess 420 delivers the look and feel of a much larger yacht while maintaining the versatility and accessibility that make weekend escapes and extended cruising equally appealing.

A FLYBRIDGE MADE FOR THE GOOD LIFE

Take entertaining to a whole new level on the spacious flybridge, where elevated views, fresh ocean breezes, and an open-air

atmosphere create the ideal setting for everything from leisurely afternoon cruises to sunset cocktails with friends. Whether you're exploring the Intracoastal Waterway, discovering a secluded waterfront restaurant, or anchoring in your favorite turquoise bay, this is where unforgettable memories begin.

A SALON THAT WELCOMES YOU ABOARD

Step inside and experience the warmth of Bavaria's contemporary European design. The salon offers an inviting environment for relaxing, entertaining, and enjoying time with family and friends. COMFORTABLE ACCOMMODATIONS FOR EXTENDED GETAWAYS

The Virtess 420 brings the comforts of home to the boating lifestyle, with private sleeping accommodations and well-appointed living spaces designed for overnight stays and longer adventures. THE FREEDOM TO EXPLORE

Bavaria has built its reputation on combining practical

German engineering with distinctive European styling and a passion for life on the water. The Virtess 420 embodies that philosophy in a yacht that feels equally at home entertaining at the dock or heading out for a day of exploration.

At approximately 42 feet, she offers an appealing combination of presence, comfort, and manageable size for owners seeking a genuine cruising yacht without moving into a much larger vessel.
